Latvia Launch Event

International and Local Trainings on the way!

Croatia

Local development agency Pins from Skrad (Croatia) is a partner in the "GO REMOTE" project. The aim of the project is to reduce the level of youth unemployment in Croatia, with a special emphasis on young people living in rural areas, providing them with remote work opportunities. For this reason, 2 local and 1 international training sessions will be held in the period from September 26th to November 25th. The topics will be Software Tester and Digital Media Officer. By researching the labor

market, we came to the conclusion that the mentioned occupations are in demand in Croatia. The trainings will be conducted by experts in the mentioned fields. Software tester - create a career in the field of software testing Software tester is a serious and fun job at the same time. For example, an employee may be required to test software produced by the company he works for and to test various web and mobile applications. Creating test plans and scripts and finding bugs and writing bug-reports can also be responsibilities of this position.

“If you love media and social networks, Digital Media Officer is the right job for you...”

If you love media and social networks, Digital Media Officer is the right job for you. Digital Media Officer is a very interesting and creative job, and some of the responsibilities can be: creating and publishing attractive and innovative content on all social media channels, creating visually appealing photos and videos and writing posts for the target audience, responsibility for conducting conversations with followers and reaching out to the people the company wants to connect with as well as following various digital trends. Stay in the comfort of your home, train yourself to work from home in online trainings and later get a remote job in a company from any part of the world!

Cyprus

One Terrene International will participate in the upcoming NGO Fair 2022 in Cyprus. During the event OTI will present the project GO-REMOTE on the central stage of the event at Acropolis Park in Nicosia on the 24th of September 2022. So stay tuned!

During the NGO Fair there will be allocated time also for a speed-dating event relevant to the GO REMOTE project that will include stakeholders, businesses, employee candidates and youth.

Partnership

We would like to wish everyone to have a wonderful relaxing summer and stay tuned for the upcoming events and the development of our international and local trainings.
